### MODEL NUMBER SHORTCUT

For repeated like modules in parallel or series, instead of listing all the same modules separated by a "-", you can simply list the module once and then follow by the number of times it repeats enclosed in parenthesis.

For example:

**iHP24H3A-SW-SW-SW-SW-SW-SW-S8-S8-00**

would become:

**iHP24H3A-SW(6)-S8(2)-00**
